### Welcome to Newport

During the summer parking season, Downtown Newport tends to be congested with traffic, and on-street parking is difficult to find. **As the largest of the City's surface lots, visitors are encouraged to park at the Newport Gateway Center at 23 America's Cup Avenue.**

**Paid Metered Parking**  
**On-street parking spaces utilize** seasonal parking kiosks located throughout the downtown area and at various points around the City.

In addition to paying via credit card or cash at the meter, motorists are also encouraged to pay via the **Passport Parking App**. Simply park where you see Passport Parking signs & decals, pay for your parking session from your phone, and be on your way!
