Revised
January 2020

On-Street Disability Parking Application

On-street disabled parking is for those residents who do not have available off-street parking. Note that all on-street disabled parking spaces are open for use by any disabled persons possessing a disability parking placard regardless of residence or origin. Incomplete applications will not be processed.

With this application I must provide copies of the additional required documentation:

- 1. Driver's License or Proof of Residence showing home address
- 2. Rhode Island Disability Parking Permit Plackard
- 3. Disability Parking Placard Certificate from RIDMV (showing who is authorized placard user)

Note that on-street disability parking approval expires when the Disability Parking Placard, as presented with this application, expires thus requiring submission of a new application. On-street disability parking may be removed at the direction of the City Engineer or when approval expires.

Applicant must provide the following information (please print):

Last Name	First Name	MI	Date of Birth
Newport, RI 02840			

Residence Address	Email	Telephone
-------------------	-------	-----------

Mailing Address (if different from Residence Address)

RI License No. or State ID No.

RI Disability Placard No.	Date Issued	Expiration Date
---------------------------	-------------	-----------------

Description of Proposed Location or Comments:

Applicant Signature	Date
---------------------	------

APPROVED / DENIED

Department Signature & Date	Expiration Date
-----------------------------	-----------------

Please return application and all supporting documentation to Engineers@CityOfNewport.com or City Hall Engineering Office located at 3rd floor, 43 Broadway, Newport, RI 02840, Phone (401) 845-5481.
