

**Attention
Newport
Veterans!**

The Rhode Island General Assembly has added an eligible qualifying theater for the Rhode Island Veteran's Exemption.

If you served during the Cold War (1947 through 1991), you may be eligible to receive the Veteran's Exemption. This also includes the widow/widower of a veteran who served during the Cold War.

Bring your DD214 between January 1 through March 15 to the Tax Assessor's Office, 43 Broadway Newport to apply for the upcoming tax bill. You must be a Newport resident, and not claim an exemption in any other state.

No applications received after March 15th will be eligible for the upcoming tax cycle.
