

Clean City Program's Fall Recycling Day

Bring your electronic waste
& plastics to be recycled 

Saturday, November 21, 2009
8am-1pm
Easton's Beach parking lot

Electronic waste accepted for recycling:

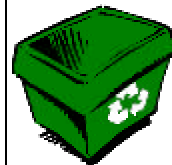

computers/CPU's, monitors, mice, keyboards, scanners, televisions, laptops, fax machines, modems, routers, VCR's, DVD players, miscellaneous computer parts and wires, digital cameras, cell phones & accessories and more.

The following items will not be accepted: Freon bearing items such as air conditioners, dehumidifiers, refrigerators and large metal items such as washers and dryers.

Plastics accepted for recycling:

#3-7 plastics, plastic toys, buckets, lawn furniture, milk & soda crates, laundry baskets, kiddie pools, landscape items such as edging, microwave trays, plastic totes, plastic drums (food grade only, no chemical containers), pet carriers, plastic pallets, coolers, shelving, flower pots (no soil), closet organizers, dish drainers, garbage cans, recycling bins, waste baskets, 5 gallon water bottles.

All plastic items brought for recycling must be free of any wood, metal, glass, wires or batteries.

Recycling bin exchange

Newport residents are invited to exchange their old recycling bin in for recycling and receive a new bin for \$5, regularly \$8. This discounted price will be available at this event only and recycling bins will be offered on a first come, first serve basis. Please bring a check for payment and proof of Newport residency.

This event is sponsored by:
Newport's Clean City Program
Good Point Recycling
Sony Electronics Inc
Waste Management
