

Newport Clean City Program Trash Cart Order Form 845-5613

Trash carts are wheeled trash containers with an attached, hinged cover. Collection vehicles serving the City of Newport are equipped with a tipping mechanism to empty the trash carts mechanically. Trash carts keep trash contained, help keep unwanted critters away and are easy to bring to the curb.

Pictured from left to right:
32 gallon: \$39 + tax, limit of 6 per household – can be used for recycling
64 gallon: \$54 + tax, equivalent of two 32-gallon barrels, limit of 3 per household**
96 gallon: \$68 + tax, equivalent of three 32-gallon barrels, limit of 2 per household**

Each residential unit is allowed to set out the equivalent of six 32-gallon containers. Please use the chart above to determine the limit allowed. For example, a 3-unit household would be allowed six 96-gallon trash carts, or nine 64-gallon trash carts. To determine how many you need to purchase, consider the amount of trash you currently throw away each week.

ORDER FORM:

Name: _____ Phone #: _____

Deliver my trash cart(s) at no extra charge to the following address:

I will pick up my trash cart(s) at the Clean City Program office located in the rear of 80 Halsey St.
