**NOTICE OF PUBLIC INFORMATIONAL MEETING**

**Installation of Tide Gate on 48" Bridge St. Storm Drain**

The Newport Department of Utilities, Water Pollution Control Division, engineers are finalizing the construction documents for the installation of a tide gate structure in Storer Park on the 48 inch Bridge Street storm drain prior to the outfall into Newport Harbor.

A public meeting is scheduled to provide an overview of the upcoming construction project before it is advertised for construction bids. City staff and engineers from Wright Pierce will be available to review the project and answer any questions.

**Date:** **Monday, June 25, 2018**  
**Location:** **Storer Park, Washington Street**  
**Time:** **6:00 pm**

The rain date for the public informational meeting is *Tuesday, June 26<sup>th</sup> at 6:00pm*. Please contact the Department of Utilities at 401-845-5600 for further information.
