COMMUNITY REPORT-BACK 2019 NEWPORT GAS OUTAGE STUDY

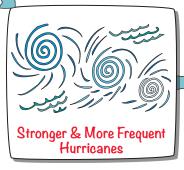

WHAT ABOUT THE NEXT EMERGENCY?

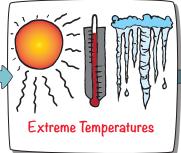

After the gas outage, the big question is ...

How prepared are we for large-scale emergencies?

Our biggest risks are from CLIMATE CHANGE — the local effects of man-made pollution around the world that are dangerous to you, your family, and your community.

WHAT CLIMATE-RELATED DISASTERS WILL WE FACE HERE IN NEWPORT?

WHEN THESE CLIMATE-RELATED DISASTERS HIT, WHAT IF...

No light

No TV No radio No Internet

No well pumps

No home appliances

No air-conditioning

Limited or no hospital services

No heat

No cooking

No hot water

Frozen and/or burst water pipes Impossible to get off Aquidneck Island

Emergency response slow or cut off

Isolation — people stuck or stranded

Coastal Property Damage Salt water and/or sewage spills over into the city's water supply

Drinking water becomes scarce because of over-charging or empty store shelves Impossible to get off

Aquidneck Island

Food, gas, and medical supplies cut off

Emergency response slow or cut off

Isolation — people stuck or stranded

WHAT WE CAN DO:

- Prepare to take care of ourselves and our community in an emergency
- · Advocate for the resources we need before, during, and after an emergency
- Tell our public officials to plan WITH us, not WITHOUT us

COMMUNITY REPORT-BACK 2019 NEWPORT GAS OUTAGE STUDY

WHAT WE LEARNED FROM YOU

WE HEARD ABOUT GAPS AND BARRIERS IN THE CITY'S ABILITY TO SERVE COMMUNITY RESIDENTS AND TO MEET THEIR BASIC HUMAN NEEDS FOR...

Many of you told us that it was hard to pay for extra expenses, even waiting to be reimbursed by National Grid, and some of you — especially Spanish-speaking residents — didn't know about reimbursement.

You also said that some hotel staff were unwelcoming and even hostile to community members when they needed safety and support during a crisis.

WE HEARD YOU DESCRIBE THE ASSETS WITHIN THE COMMUNITY DURING THE EMERGENCY...
