

# Santa's Nightly Rides

Santa's routes for the evenings of Tuesday, December 8<sup>th</sup>, Thursday, December 10<sup>th</sup>, Tuesday, December 15<sup>th</sup> and Thursday, December 17<sup>th</sup> have been finalized and while the weather might be a bit chilly, we hope it is going to cooperate. Please review the general routes attached or visit [www.cityofnewport.com](http://www.cityofnewport.com) or like us on Facebook <https://www.facebook.com/NewportRIFireDepartment> for updates and the Santa Tracker App called **GLYMPSE**.

Santa and his Newport Fire & Newport Police escort will leave from Fire Station #2 on Old Fort Road at 5pm each night and will continue until he has completed his tour of the listed area. Please go to the **Newport Fire Department Facebook page** and click on the **Glympse App nightly Santa tracker** to follow where he is located in town. You must re-click on this app each night Santa is riding around because it expires once Santa goes back to the North Pole. Our technology elf Nick is in charge of this app, so please bear with us if we have any technical difficulties. 😊 In addition, modifications to the route may need to occur due to various reasons such as traffic, construction, etc.

Parents, as a reminder, to be safe please make sure that your children are accompanied by an adult and that they greet Santa from the sidewalk and do not enter the roadway. Santa will not be able to stop and pose for photographs along the route because he has to return to the North Pole to prepare for Christmas. Santa is looking forward to seeing all of the City's children, but does not want any of them getting hurt.

Kids, keep your eyes and ears open for Santa's approach!!!!

# Santa's Nightly Routes

Please go to the Newport Fire Department's Facebook page, [www.facebook.com/NewportRIFireDepartment](http://www.facebook.com/NewportRIFireDepartment) for a more detailed list of locations and download the Glympse.com App to follow Santa each night through the "Santa Tracker". Below you will find a general idea of the routes he will follow! You must re-click on this app each night Santa is riding around because it expires once Santa goes back to the North Pole.

## Tuesday, December 8<sup>th</sup>

The North End of the City West of Broadway: Santa will travel from Touro Street to One Mile Corner, from Broadway to JT Connell Highway & Farwell Street. These neighborhoods include Dr. Marcus Wheatland Blvd., Van Zandt Ave., Bedlow Ave. and Newport Heights.

## Thursday, December 10<sup>th</sup>

The North end of the city East of Broadway & Spring Street: Santa will travel from memorial Blvd. North to the Middletown line. These neighborhoods include Kay Street, Vernon Avenue, Bliss Road and Eustis Ave.

## Tuesday, December 15<sup>th</sup>

The South End of the city West of Spring Street to Fort Adams & Touro Street to Harrison Avenue: These neighborhoods include Spring Street to Thames Street, Fort Adams and the Historic 5<sup>th</sup> Ward.

## Thursday, December 17<sup>th</sup>

The Southeast end of the city & the Point section: Santa will travel East of Spring Street to Bellevue Ave. and Annandale Road and from Memorial Blvd. to Ocean Avenue. Also, Santa will be visiting the Point section, Bayside Village and Rolling Green neighborhoods.

# Paseos nocturnos de Santa

Las rutas de Papá Noel para las noches del **martes 8 de diciembre, jueves 10 de diciembre, martes 15 de diciembre y jueves 17 de diciembre** se han finalizado y, si bien el clima puede ser un poco frío, esperamos que coopere. Revise las rutas generales adjuntas o visite [www.cityofnewport.com](http://www.cityofnewport.com) o haga clic en "Me gusta" en Facebook <https://www.facebook.com/NewportRIFireDepartment> para obtener actualizaciones y la aplicación Santa Tracker llamada **GLYMPSE**.

Santa y su escolta de Newport Fire & Newport Police saldrán de la Estación de Bomberos # 2 en Old Fort Road a las 5 pm cada noche y continuarán hasta que haya completado su recorrido por el área indicada. Vaya a la página de Facebook del Departamento de Bomberos de Newport y haga clic en el rastreador nocturno de Papá Noel de la aplicación Glympse para seguir dónde se encuentra en la ciudad. Debe volver a hacer clic en esta aplicación cada noche que Papá Noel pasee porque caduca una vez que Papá Noel regresa al Polo Norte. Nuestro elfo tecnológico Nick está a cargo de esta aplicación, así que tenga paciencia con nosotros si tenemos alguna dificultad técnica. 😊 Además, es posible que sea necesario realizar modificaciones en la ruta debido a diversas razones, como tráfico, construcción, etc.

Padres, como recordatorio, para estar seguros, asegúrese de que sus hijos estén acompañados por un adulto y que saluden a Santa desde la acera y no ingresen a la calzada. Santa no podrá detenerse y posar para fotografías a lo largo de la ruta porque tiene que regresar al Polo Norte para prepararse para la Navidad. Santa está ansioso por ver a todos los niños de la ciudad, pero no quiere que ninguno de ellos resulte herido.

Niños, mantengan sus ojos y oídos abiertos para que Santa se acerque !!!!!

## Rutas nocturnas de Santa

Vaya a la página de Facebook del Departamento de Bomberos de Newport, [www.facebook.com/NewportRIFireDepartment](http://www.facebook.com/NewportRIFireDepartment) para obtener una lista más detallada de ubicaciones y descargue la aplicación Glympse.com para seguir a Santa cada noche a través del "Santa Tracker". ¡A continuación encontrará una idea general de las rutas que seguirá! Debe volver a hacer clic en esta aplicación cada noche que Papá Noel pasee porque cada una cae una vez que Papá Noel vuelve al Polo Norte.
