

**This program will also be effective beginning in November for real estate taxes.**

***Optional for persons paying real property or tangible taxes in the City of Newport effective November, 2015:***

I, \_\_\_\_\_, authorize the City of Newport to deduct quarterly real estate taxes from my bank account on the due date of the payment. I have attached a copy of a voided check from my account. I understand that deductions will continue until I rescind authorization by contacting the Collections Division of the City of Newport.
