Important Questions	Answers	Why this Matters:		
What is the overall <u>deductible</u> ?	For Out-of-Network providers \$250 for an individual plan / \$500 for a family plan.	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.		
Are there services covered before you meet your <u>deductible?</u>	Yes. Doesn't apply to some services with a fixed dollar copay.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.		
Are there other <u>deductibles</u> for specific services?	No	You don't have to meet deductible for specific services.		
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	For In Network providers \$6350 for an individual plan / \$12700 for a family plan. For Out-of-Network providers \$6350 for an individual plan / \$12700 for a family plan.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, the overall family <u>out-of-pocket limit</u> must be met.		
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billed charges and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-</u> pocket limit.		
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.BCBSRI.com or call 1-800-639- 2227 or (401) 459-5000 for a list of <u>network</u> <u>providers</u> .	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.		
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes	This <u>plan</u> will pay some of all of the costs to see a <u>specialist</u> for covered services but only if you have a referral before you see the <u>specialist</u> .
