

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.

This is only a summary. Important Questions	Answers	Why this Matters:
<b>What is the overall <u>deductible</u>?</b>	For In Network providers <b>\$250</b> for an individual plan / <b>\$500</b> for a family plan. For Out-of-Network providers <b>\$250</b> for an individual plan / <b>\$500</b> for a family plan.	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your <u>deductible</u>?</b>	Yes. Doesn't apply to preventive services, services with a fixed dollar copay, diagnostic testing, imaging services and outpatient mental health services.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain preventive services without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <u>deductibles</u> for specific services?</b>	No	You don't have to meet deductible for specific services.
<b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</b>	For In Network providers <b>\$6350</b> for an individual plan / <b>\$12700</b> for a family plan. For Out-of-Network providers <b>\$6350</b> for an individual plan / <b>\$12700</b> for a family plan. A separate prescription drug out-of-pocket of <b>\$600</b> per individual / <b>\$1200</b> per family per calendar year. The <b>\$600 / \$1200</b> contributes to the <b>\$6350 / \$12700</b> .	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family out-of-pocket limit has been met.
<b>What is not included in the <u>out-of-pocket limit</u>?</b>	Premiums, balance-billed charges and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes. See <a href="http://www.BCBSRI.com">www.BCBSRI.com</a> or call 1-800-639-2227 or (401) 459-5000 for a list of <u>network providers</u> .	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a <u>referral</u> to see a <u>specialist</u>?</b>	No	You can see the <u>specialist</u> you choose without a referral.
