The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-639-2227 or (401) 459-5000 or TDD 711 or visit us at <u>www.BCBSRI.com</u>. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, provider, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>https://www.healthcare.gov/sbc-glossary or call 1-800-639-2227</u> or TDD 711 to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall <u>deductible</u> ?	Combined deductible for In Network and Out-of- Network providers \$200 for an individual plan <i>I</i> \$400 for a family plan.	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible?</u>	Yes. Doesn't apply to preventive services, services with a fixed dollar copay, diagnostic testing, imaging services, infertility services, inpatient services and most outpatient services.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain preventive services without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other <u>deductibles</u> for specific services?	No	You don't have to meet deductible for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Combined out-of-pocket limit for In Network and Out-of-Network providers \$6350 for an individual plan / \$12700 for a family plan.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family out-of-pocket limit has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billed charges and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-</u> pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.BCBSRI.com or call 1-800-639- 2227 or (401) 459-5000 for a list of <u>network</u> <u>providers</u> .	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No	You can see the <u>specialist</u> you choose without a referral.
