Tree Preservation and Protection Ordinance

Conditions of Permit

THIS PERMIT IS ISSUED AND ACCEPTED ON THE FOLLOWING CONDITIONS:

1. Permittee shall abide by all applicable specifications contained herein, and statutes ordinances and rules of the City of Newport. Prior to the start of work permittee shall submit to the Tree Warden, for review and approval by the Director of Public Services and the City Manager, copies of all other City and State permits required for the work site(s);
2. City Manager, Director of Public Services, Tree Warden, or their agents can revoke the permit at any time without notice;
3. Permittee shall indemnify and hold harmless the City of Newport and its agents for any damages permittee may sustain or be required to pay because of any act or omission of permittee or permittee's agent, related in any way to the work authorized by this permit, or because of the violation of any specification herein;
4. Permittee shall provide and maintain a safe and convenient way for pedestrian and vehicular traffic.
5. Permittee shall remove from the ROW all debris generated from the work site at the end of each workday. Disposal of wood or other debris is the responsibility of the permittee.
6. Permittee shall assume all responsibility and cost of supervision, by a licensed arborist in the State of Rhode Island, for all tree-related activities. Tree trimming, planting and related activities shall be conducted in a manner consistent with accepted arboricultural practices as defined by the I.S.A. (International Society of Arboriculture).
