City of Newport Adopt-a-Barrel Program Application

Name: _____

Date: _____

Street address: _____

Email address: _____

Thank you for wanting to make Newport Cleaner and Greener by participating in Newport's Adopt-a-Barrel Program. We appreciate you wanting to make the area around your business clean and free from litter. By taking responsibility for its emptying, cleaning and upkeep, you will be able to adopt a barrel from the City of Newport for usage near your business.

Applying Business must:

- ✓ Have an established commercial account for waste disposal;
- ✓ Complete an application with the Public Works Division;
- ✓ Maintain the barrel to the level of which the barrel was delivered;
- ✓ Provide and secure a sign to the barrel to promote the adopter of the barrel.

Applying Business must agree to the Terms of Maintenance:

- ✓ Aesthetics of barrel maintained to the level of which the barrel was delivered (proper emptying in a timely fashion of contents - no overflow of barrel, graffiti removal, gum & sticker removal);
- ✓ Weekly to biweekly collections scheduled with commercial account;
- ✓ Sign must be affixed to the barrel at all times to promote the adopter of the barrel.

If maintenance level demonstrates 3 separate instances of low quality, the Division of Public Works will remove the barrel and future requests will be denied.
