

The funds from the American Recovery & Reinvestment Act of 2009 (ARRA) are being used to upgrade and improve the City of Newport's Water Distribution System. On October 15, 2015 the construction of 3,240 linear feet of water main replacements began in the Town of Middletown. The project is scheduled to be completed by July 1, 2016.

The affected streets are: Stockton Drive
Rosedale Court
Fairview Avenue
Adealiade Avenue
Sherri Lane
