

Easton' Beach
Bathhouse Facility & Parking
Important Rules and Guidelines

1. All alcohol usage is strictly prohibited in the bathhouse area and on the beach premises by City Ordinance.
2. Please stop at the bathhouse attendant's area to check in and provide the names of those with you. Please be patient as this is for your protection.
3. Seasonal Bathhouses are limited to 2 adults and 4 children 21 years of age and younger. 2 additional occupants, for a total of 8 maximum, can be added to the Bath House membership at an additional annual fee.
4. No guests, (adults or children), are allowed in the bathhouse area unless they have registered at the office and paid the guest fee.
5. Please be considerate of all bathhouse patrons. Do not block aisles, take too much time in the showers or make too much noise.
6. Please keep an eye on your children. Anyone caught vandalizing the area will risk bathhouse forfeiture.
7. The Gazebo can be reserved for picnics, parties, etc. for a 2 hour period. Reservations may be made at the beach office a maximum two weeks in advance. Each bathhouse is allowed two reservations for the season. All guests must pay guest fees. Anyone using the Gazebo is responsible for cleaning the area and removing all trash. (The bathhouse attendant can provide trash bags.)
8. For everyone's safety, no bikes, skateboards or rollerblades are allowed in the bathhouse area. No ball playing or running is allowed in the area.
9. No overnight storage of gas canisters or charcoal grills will be allowed.
10. No alteration to the facility will be allowed without prior approval of the Beach Manager.
11. Bathhouses should be locked daily to discourage vandalism and keep birds from nesting.
12. Bathhouses must be cleaned out and locks removed at the end of the season. (See "Important Dates" for date.)
13. Reserved Parking hang tags are for access to the Reserved Parking area only (Lot 2); they may not be used for the public lots. Access to the area underneath the bathhouses is on a first come/first served basis. (A Reserved Parking Hang tag does not ensure access to that section of the Reserved Parking Lot.)
14. Reserved Parking hang tag must be shown to the gate attendant when entering and must be displayed at all times on the rearview mirror. Any vehicle not displaying the Reserved Parking hang tag will be subject to tag and tow. Continued misuse of this area will result in loss of bathhouse and reserved parking privileges.
15. Only one vehicle per Reserved Parking hang tag can use the reserved parking area at any one time. Guests, friends, or people sharing the bathhouse must purchase a daily pass, season public sticker or their own Reserved Parking hang tag if they are coming to the beach in vehicle other than the one using the Reserved Parking hang tag.

16. If you have any problems or concerns, please report them to the Beach Office.
