

February 13th, 2021

Helen Johnson
43 Broadway
Newport, Rhode Island 02840

RE: 88 Washington Street

Dear Miss Johnson,

The summary of proposed work has been modified from the previous application and now includes:

Concept approval to:

1. Demolish the existing addition on a contributing structure, restore and relocate the building to the South East corner of the property.
2. Construct a new single family residence with a hyphen connecting to the existing structure. Refer to drawings for size, scale and massing.

Sincerely,

Madeline Melchert
